

Dear Parents/Guardians,

There are two different MBTA cards that students may use for travelling:

1. The Student Charlie Card/Pay As You Go is for students who want to put money on their Charlie Card for their occasional use. One card is issued for the school year. Every student at BTA received this card. The maximum amount you can put on this card at any one time is \$10. This transaction takes place at the T station.
2. The Student Charlie Card/Monthly Pass is issued to those students who want to take advantage of the \$20/month pass. One card is issued for the school year. Each card is numbered and the MBTA will use that number to keep track of students who purchase a monthly pass. **Payment for June must be received by Monday, May 24.** When you pay for a monthly pass we will notify the MBTA and they will activate the card for that month. **Under this new system, we will not be able to add a monthly pass fee to your student's card after the due date.** If you miss the payment deadline your student(s) will need to use their Pay As You Go Card. However, your student should keep their Monthly Pass Card in case they want to activate it for an upcoming month. The monthly Student MBTA Pass is a separate charge from student fees and cannot be added to monthly FACTS payments.

The restrictions for these passes are: Unlimited travel on Bus, Subway, Express Bus, and Commuter Rail Zones 1, 1A and 2 until 11p.m. on school days.

Students may desire both cards and use them interchangeably according to their transportation needs. Please make sure your student(s) knows that these are the only cards that will be issued to them for the 2009-10 school year.

If you would like a pass for June, please fill out the bottom portion of this page with payment by Monday, May 24. You may also purchase a pass for the remainder of the school year for \$40. I would suggest this option, especially if you find it difficult to remember to pay each month by the deadline.

Thank You.
