BOSTON TRINITY ACADEMY

Boston Trinity welcomes all students to the country's most historic city.

Since 2002, Boston Trinity Academy has held fast to its founders' mission; To provide an exceptional college preparatory academic experience in a Christ-centered community where every student is known and loved.

This mission informs *everything* we do; Our school traditions, teaching philosophy, and thoughtful liberal arts curricula. So our graduates demonstrate the intellect, leadership, and moral character they learn here to succeed at top colleges and in life beyond.

J.H. Class of '20, now NYU-'24

On our close-knit campus in Boston, students enjoy the endless opportunities of attending school in the nation's education and innovation capital.

While exploring the many ways they can connect and contribute, BTA students delight in their role as active citizens of the city. For example, they explore the Boston Public Library, attend seminars at Harvard and other colleges, and visit the Kennedy Library while also enjoying the arts and culinary delights of the restaurant scene downtown.
